Ethos

Bramley CofE Infant and Nursery School is a fully inclusive School that warmly welcomes families from all faiths or no faiths, communities, cultures and backgrounds.

Our school vision reflects the close links the school has with the Church and Christian values and beliefs. This association is reflected in the School prospectus which is available on the school website, alongside details of our admission arrangements, these can be collected from the school office.

How parents and carers can apply for their child to be admitted to our school

Surrey County Council's annual admissions prospectus informs parents and carers how to apply for a place at the school of their preference. Parents and carers have a right to express their preference, but this does not, in itself, guarantee a place at that particular school.

Applications for September 2027

Surrey residents can apply on-line via the Surrey website

www.surreycc.gov.uk/admissions or by completing an application form available from Surrey County Council by telephoning 0300 200 1004. Forms must be completed and returned by 15th January 2027. Residents of other authorities must apply via their own local authority.

In Surrey, children are offered full-time places at the start of the academic year following their fourth birthday. Parents can defer their child's admission until later in the school year, but not beyond the beginning of the term after their 5th birthday, nor beyond the beginning of the final term in the academic year for which the offer is made. A child may also attend part-time until compulsory school age is reached.

For children born between 1st April and 31st August 2022, parents may choose to delay admission to school until the term *after* their child turns five (when statutory school age is reached). A child would normally start school in Year 1 the following year, missing out on Reception altogether. However, a parent may request that their child is admitted to Reception instead, meaning that the child would be educated outside their correct year group. In this instance parents should discuss their wishes with the Headteacher, stating clearly why they feel admission to a different year group would be appropriate, including supporting documentary evidence if they wish. (Parents applying for their child to enter the school in later years may also choose to seek places outside their child's correct year group, but in all cases this should be discussed with the Head Teacher). The trust will then make a decision as to which year group (YR or Y1) the child should enter in the following year, based on the particular circumstances of the case and in the best interests of the child. The Head Teacher's views will be taken into account and reasons for the decision shared in writing with parents. However, please note that the school cannot 'reserve' a place either in Reception or Year 1 for the following year, when a fresh application must be made.

Please note, there is no automatic transfer from the Pre-School to the Infant school and parents must therefore apply in the usual way.

The Published Admission Number

As an Academy in **The Good Shepherd Trust**, the Trust is the Admission Authority for the school and has agreed a Published Admission Number (PAN) of **30** children at the age of 4+ with the Local Authority (LA). Any child with an Education, Health and Care Plan naming the school will be admitted. Where possible such children will be admitted within the PAN. In addition, the Trust has determined the following over-subscription criteria in consultation with the Diocese of Guildford, which will be strictly applied in the order shown below as soon as the number of applications exceeds the PAN.

Admissions Over-subscription Criteria

1. Children Looked After and Previously Looked After Children (See Appendix A item 1)

2. Children with an exceptional medical/social condition which means they must attend Bramley Infant School rather than any other. (See Appendix A item 2)
3. Siblings, i.e. a child who will have a brother or sister at Bramley Infant School at the time of entry to the school. (Parents are still required to apply for a place at the school.) See Appendix A item 3 and 5.
4. Children whose home address is within the Ecclesiastical Parishes of Bramley and Grafham. (See Appendix A, item 4 and Appendix B)
5. All other children whose parents wish them to attend Bramley Church of England Aided Infant School.

Should the school be oversubscribed within one of the above criteria; the distance from home to school will be the deciding factor. Those living closer to the school will receive the higher priority. The distance is measured in a straight line from the address point of the child's home as set by Ordnance Survey, to the nearest school gate available for pupils to use. **This is calculated using the Admission and Transport Team's Geographical Information System.** For buildings where there are multiple addresses with only one address point or where two or more applicants live at the same distance from the school, priority will be decided by lottery. ***Where one or more children from a multiple birth are offered a place, but there are insufficient places for all children from the same multiple birth ranked consecutively, the school will offer each child a place (going above PAN if necessary).***

Right of Appeal

Parents of children who are not allocated a place, have the right to appeal to an independent panel. Details of this process can be obtained from the school.

Withdrawal/Refusal of Offers

The Governing Body reserves the right to withdraw the offer of a place where a parent has made a fraudulent or intentionally misleading application which denied a place to another child, who would otherwise have been offered a place.

Waiting List

Should there be more applications than there are places a waiting list for admission to the reception class will be maintained for a year. Parents will have to ask to be put on the waiting list should they require a place at the school. Any places which become available are allocated as set out above.

Late applications

Applications for Reception places submitted after 15th January but before 1st September have to be made direct to the LA, but parents will have to complete the school's Supplementary Information Form if they wish to be considered under criteria 5 and 6.

In-year applications

For those who are applying for a place and their child currently attends another school the application process managed directly by the School.

Parents should contact the school office for an application form. Parents will be notified of the result of the application within 15 school days. The School will notify the LA of every application and the outcome within 2 days of notifying parents. Parents moving from abroad should speak to the LA as well as the school.

The Trust Admission Policy will apply throughout the course of the Academic year should places become available. The 'Pool of Applicants' for any applicable year groups will be assessed in strict compliance with this Policy.

Appendix A

1.Children Looked After are: children who are in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989, e.g. fostered or living in a children's home, at the time an application for a school is made; and children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child will be regarded as having been in state care outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. The parent/carer will need to provide evidence to demonstrate that the child was in state care outside of England and left that care as a result of being adopted. **Previously Looked After Children:** children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989 and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989);

2.Applications in such circumstances must be supported at the time of application by documentary evidence from a Consultant Doctor or registered health professional demonstrating why it is essential for the child to attend the school and the difficulties that would be caused if the child was unable to attend this school. NB: All Surrey schools deal with more common and medical conditions such as nut allergies, asthma, eczema and stress related symptoms.

3. 'Sibling'—a brother/sister, half-brother/half-sister, step-brother/step-sister or adoptive brother/adoptive sister or foster children, living in the family unit at the same time in each case.

4.Home address – the child's permanent address or in cases of shared custody, where s/he lives for the majority of the school week.

5.Parent – a natural, adoptive, step or foster parent or other legal guardian.
