

School council questions – 13.05.25

1. What is your favourite thing to do in school?

Play. Banana's at snack time. I like to learn.
Lunch times. The building block area. Maths.

2. Have you ever felt sad at school? Who has helped you?

Teachers. Adults. Friends. My family.

3. Do you have friends in school and how do you know they are your friends?

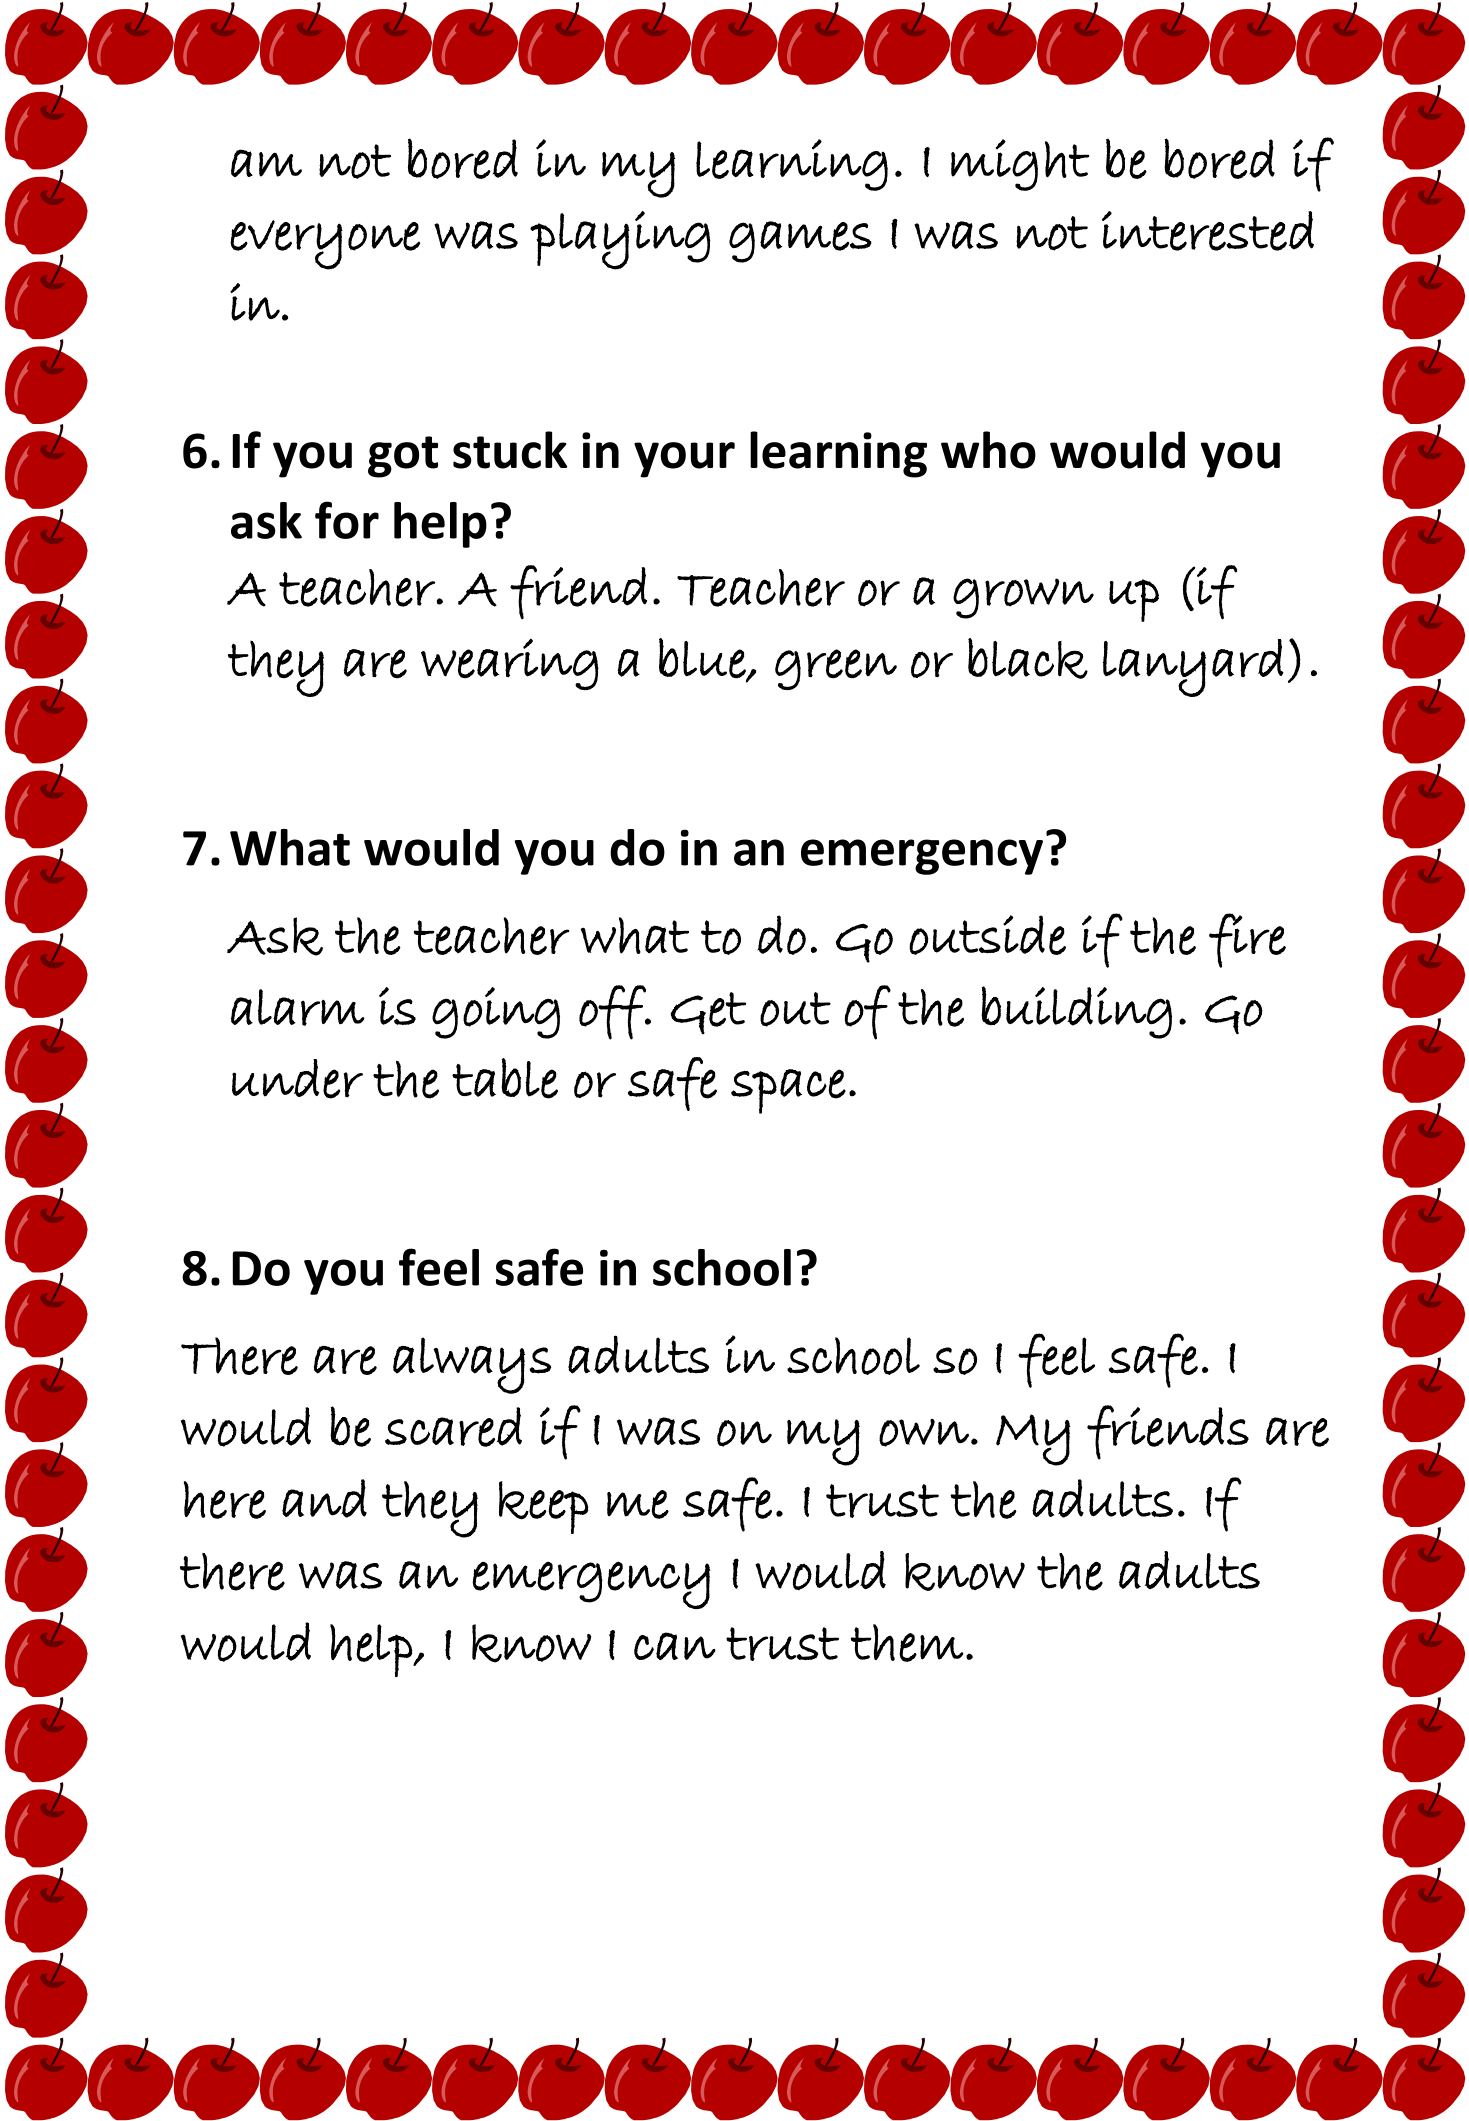

I know they are my friends because I play with them lots. They are kind to me. They are good fun. I play with my friends at play time. We play with each other every day.

4. What would make school better?

Watching TV every day. Having sweeties. More learning. Celebrating the teacher's birthday.
Water slide. Extra playtime.

5. Have you ever been bored in school? Why?

I am not bored but we could always get more equipment for those people who are bored. I would be bored if not one was playing with me. I am not bored they have tennis rackets at play time. I

am not bored in my learning. I might be bored if everyone was playing games I was not interested in.

6. If you got stuck in your learning who would you ask for help?

A teacher. A friend. Teacher or a grown up (if they are wearing a blue, green or black lanyard).

7. What would you do in an emergency?

Ask the teacher what to do. Go outside if the fire alarm is going off. Get out of the building. Go under the table or safe space.

8. Do you feel safe in school?

There are always adults in school so I feel safe. I would be scared if I was on my own. My friends are here and they keep me safe. I trust the adults. If there was an emergency I would know the adults would help, I know I can trust them.
