28th March

## Senior Leadership Message -

The children had a fantastic day last Friday, dressing in their red muffin and celebrating Red Nose Day's 40th anniversary with a party. A heartfelt thank you to all the families who donated to this wonderful cause. The book fair also raised £83.00 for the school to purchase books for the library. This fits with our value of Koinonia, emphasising the importance of helping those around us.

This week marked the end of our school trips for the term. Year 2 visited Pizza Express in Godalming to learn more about cooking skills and the origins of food. We were able to make this trip possible thanks to the Christ College minibuses. We hope the year 2 children (and their families) enjoyed the pizzas they brought home!

Thank you to all the families who attended our first 'Come and See My Learning' event on Tuesday. We hope you enjoyed the opportunity to see your child's progress and discuss their learning with them.

Our Easter Service will be held on Thursday 3rd April at 10:30 am at Holy Trinity Church. We still need volunteers to help walk the children to and from the church safely. You do not need a DBS to help. Please inform the office if you can help from 9:40am and assist with walking the children back after the service. At the end of the Service, we will be collecting donations for St Catherine's Hospice in Crawley who recently supported one of our staff members and their family, and do amazing work supporting terminally ill people and their loved ones. Please note donations will be **cash only**.

Have a lovely weekend.

Mrs. Strickland  
Head of School

**COMING SOON**

**After school wraparound care coming in September 2025!**

## Prayer

Dear God,

We thank You for the gift of Koinonia, the fellowship and unity we share as a community. Help us to embody Your love and grace in our interactions with each another. May we always seek to support, uplift, and encourage those around us, reflecting Your compassion and kindness.  
Amen.

# Notices

THANK YOU!  
Together we  
raised £135

**There is still time to donate if you haven't already.**

feeding the imagination

**Nursery & Pre-school parents,** please note that there will be a price increase of school meals effective from 22nd April, making it £2.85 per meal.

# Classroom Focus

## YEAR 2

We have had a foodie half term in Year Two linked to our design and technology, science and PSHE learning all to do with keeping healthy and learning about where our food comes from.

We began the term looking at the eat well plate and the importance of eating a balanced diet. We then began to investigate the journey of different foods from where they start on a farm to the meals we eat every day.

The children have had lots of different cooking experiences from learning to cut fruit safely in our fruit pizza making session, to our super exciting trip to pizza express. The children loved every moment, from throwing the dough to adding the mozzarella, they learned all about the history of the Margherita pizza and the ingredients used to make it.

Leading on from our learning all about food across the curriculum, we have been thinking about the life cycle of plants and how fruits and vegetable grow. We planted sugar snap peas (a snack time favourite) and are experimenting with light, water and temperature to find out how plants grow, stay healthy and very importantly, produce food!

In our Maths learning we have been looking at all different kinds of measurement including length, mass, capacity, volume and temperature, beginning to look at the different units. The children have particularly enjoyed measuring in metres and centimetres exploring different objects and furniture in the classroom and around the school.

In English are beginning to look at different kinds of punctuation, writing dragon poetry using apostrophes for possession and contraction and, after an action-packed trip to the Guildford Spectrum, we have been retelling the day and the activities we took part using opinions, commas in lists and fronted adverbials of time.

We look forward to an exciting summer term ahead of us and will be working hard in all areas to prepare for the transition to Junior school in September.

# Upcoming Events

Please note that dates in bold may have been added or changed since our last weekly newsletter.

21st INSET day

22nd INSET day, End of Term

Thank you so much for all your Easter Egg donations, the children have loved watching the wall grow! We will be in the playground at pick up on Wednesday 2nd April with all the eggs running a Tombola to win an egg back (every ticket is a winner!). So please remember to bring £1 to pick up on Wednesday if you have donated an egg and would like to take part.

We will also be selling our Easter Goodie Bags in the playground next week, keep your eyes peeled on your class WhatsApp groups for the days we will be selling. Bags are £5 each and will contain some Easter themed craft activities and a sunflower growing kit. We will be running a competition to see who can grow the tallest sunflower! We hope you have a lovely weekend!  
Marty, Tiff, Lucinda, Holly & the rest of the team x
