

NOTICES & REMINDERS

Rooted in Christian values | Seek within | Wonder why | Reach out | Aim high

As our first half term of the year draws to a close, we reflect on the many successes and achievements of our children. We've witnessed excellent learning across the school and seen our new students settle into school life beautifully. The children have actively participated in collective worship and whole school events.

Looking ahead to the next half term, it's already time to start thinking about our Christmas events and activities!

A reminder that Monday 4th November is a Staff INSET day and school is closed to children. We look forward to welcoming the children back to school on Tuesday 5th November.

Thank you to all our families for their support this half term. We wish you all a happy and safe break.

Mrs Strickland

The next half of term involves more themed days (muffin/crazy hair day), in exchange for items (e.g. chocolate/parent presents), as well as other donations. It may feel rather relentless, but these contributions make a HUGE difference to the fundraising success of the Christmas Fair, so we massively appreciate your support in advance.

Enjoy your half term!

Marty, Tiff, Lucinda, Holly and the rest of the team.

Nursery

We have had a wonderful start to the school year learning about Autumn and making new friends.

Next half term our topic is light and dark. Have a lovely half term break. Children return to school from Tuesday 5th November.

Pre School

We have really enjoyed our Autumn topic this half term. It has been lovely to see all the hibernating hedgehogs go home this week, the children have really enjoyed making them and snuggling them in to their winter bed!

After half term we will be enjoying the story It was a cold dark night by Tim Hopgood.

Have a great half term everyone!

Reception

A huge well done to the whole class for reaching the end of their very first (and long) half term. They have settled tremendously well and we all really enjoy learning and exploring together. Do make sure that they have a rest but if you can keep up the reading and sounds work in a fun way that would be fantastic. Next half term many of our activities connect to the idea of Light and Dark so the outside house will become a spaceship with lightboxes in our inside role play area.

Year 1

This week in Year 1 we have enjoyed writing a letter in the role of a character from our story- 'Winter Sleep: A Hibernation Story' by Sean Taylor and Alex Morss. After half term we are looking forward to investigating seasonal change further as we move from Autumn into Winter, including a focus on deciduous and evergreen trees. Please can I ask that after half term your child only has one keyring attached to their bookbag- they are proving to be quite a distraction at the moment and are also taking up space on the children's pegs. I hope you have a wonderful week and I look forward to seeing you all after half term.

Year 2

This half term has been a lovely start to the year two. The children have settled in so well and their learning is already coming on leaps and bounds.

We have had such fun together designing and creating castles, carrying out science different experiments, learning new dance moves and improving our reading, writing and maths everyday! They have all worked so hard, I hope they enjoy the well deserved break!
