Executive Headteacher: Miss Anna De Filippis

School Council meeting minutes

Date: 15.11.24

Who was here: Mrs Strickland, Otto (Year 1), Ruby and Jack (Year 2)

We discussed:

- We discussed what the school council is for and how we can help the school.
- We decided it would be good if the school council could share this meeting and its outcomes in collective worship next week.
- School council think it would be good if all staff could try and learn all the children's name as this makes them feel happy and special.
- We talked about what makes the school great and what we could improve on.

What is great about the school	What we could improve
We have lots of staff who help us. Maths learning Playtimes are better now. We have more space to play.	I-pads – they are a bit slow. You have to write your whole name in to log on. It takes ages. We would like more hoops on the playground.

Actions

Action	Who is doing it?
1. School council to attend collective worship and feedback the meeting to the rest of the school	School council and Mrs Strickland
2. School to look in to getting more I-pads and making them easier to sign into	Mrs Strickland
3. Staff members to try and learn everyone's name	All staff at Bramley
