## School Council meeting minutes

Date: 21.01.24

Who was here: Mrs Strickland, Jack and Ruby (Year 2), Otto and Zephie (Year 1)

Actions from last meeting:

Action	Action completed
1. School council to attend collective worship and feedback the meeting to the rest of the school	School council did this on 19.11.24.
2. School to look in to getting more I-pads and making them easier to sign into	Mrs Strickland spoke to the PTFA and hopefully they will use funds raised this year to purchase the school new iPads.
3. Staff members to try and learn everyone's name	The school council report this is better. They reported it is ok to forget children's names but it is not ok to try your best to remember people's names.

We discussed:

- Art project ideas – The school can apply for some funding to lead an Art project across the school. The school council came up with the ideas of a mural or more artwork around the school.
- Garden ideas – The school can apply for some funding to lead a gardening project. The school council thought it would be a good idea to improve our pond area. Maybe having a bench there as well so children and staff can sit by the pond.
- Playground ideas - the school is hoping to get some funding from Asda for some improvements to our playground. The school council were very excited to share ideas for the playground including: a trampoline, climbing frame, rock wall, better trim trail, monkey bars, swings.
