Timetable and Curriculum

We are a Christian school and we link Christian values throughout our learning. Each half term we explore a specific value, with Friendship being our current focus.

Alongside this, we have our school vision: 'Rooted in Christian values. Seek Within, Wonder Why, Reach Out, Aim High. This is the foundation for all of our learning and development.'

Children take part in regular RE lessons, structured by the Diocese of Guildford. Children enjoy exploring different thoughts and ideas, and discuss these through debate, drama and art.

Forest School

Mrs Miles is a qualified Forest School leader, running Forest School sessions for KS1. These take place on the school field and small wooded area within the school grounds.

Forest School is an approach to promoting the holistic development of children in the outdoor environment on a regular basis. It supports the relationship between the learner and the natural world and gives opportunities to take supported, appropriate risks. There will be a strong emphasis on raising all children's self-esteem and independence.

When?

Year 2 will continue Forest School on Tuesday afternoons until February half term.

Assessments

There will be a phonics screening in Summer term for those who didn't pass in Year 1.

Attendance and absence

We expect all children to attend school every day unless they are unwell.

If your child is unwell please call the office and speak to Becky or leave a message including details of their illness.

If your child has diarrhea or sickness they can return to school 48 hours after their last bout of illness. This is in line with Public Health England guidance.

Routine doctors and dentist appts please try and make these after school or in the holidays.

All absences from school, with the exception of illness, require parents to fill in an absence form. These are available from the school office or on our website.

Please note holidays within term time cannot be authorised.

Contact Information

We are available for a quick chat at the end of the school day, or you can contact the office with anything urgent (such as absence). If you would prefer to contact me directly, you can do so on the Year 2 email below – just remember this isn't always checked daily and may take a few days for a response.
