Reading books and
home learning books:

Hand in: Wednesdays

Back out: Thursdays

PE kits returned for
washing end of half
term

Please name all items

A warm welcome to Year 2. This is your child's final year of Key Stage 1. We consolidate phonics, reading comprehension, writing and number concepts. In other areas, children will continue to explore RE, history, science, geography, music, art, design and PE.

Your Year 2 teacher is Miss Reynolds, with support from our Higher Level Teaching Assistant, Mrs Voller. Forest School will be led by Mrs Miles and PE will be led by Coach Ben. Any queries can be directed to year2@bramley.surrey.sch.uk, which Miss Reynolds will respond to.

Your children are at the heart of what we do. We aspire to generate curious, confident and resilient minds. To do this, our key focus areas are:

- Settling children into the Year 2 environment and routines
- Supporting wellbeing
- Building strong relationships
- Delivering fun, engaging lessons

Our theme this term is Castle Keepers. We will be exploring the architecture of castles, their designs and use and the people that live in them. Further into the term, we will design and create our very own model castle!
